

# FLT Driver/Warehouse Operative

Mercia Garden Products LTD – Newark-on-Trent NG23 6QN

---

## Job Description

Production Operative: Long Term appointments: Opportunities for promotion

Mercia Garden Products is the leading Garden Building manufacturer in the UK and part of the £140m turnover BVG Group. We manufacture sheds, summerhouses, log cabins, playhouses, and greenhouses and conduct over 100,000 home deliveries each year. Our products are sold via large DIY Chains, Blue Chip retailers, and online Specialists.

We are looking to drive further growth and need to increase the capacity to be ready for and deliver the 2021 season. As a result, we have vacancies in Material Handling.

Material Handling £8.72 - £11.00 (Depending on experience and ability)

Everything we manufacture is too big to carry, so we have forklift trucks moving material all-round the site, all day long. Applicants will need experience, but refresher training will be given to applicants who already have a forklift license, just to make sure you are safe.

Within our team structure, operatives can become line leaders, line leaders can become Team Leaders and Team Leaders can become Managers.

Applications are sought from people who can demonstrate reliability, a willingness to learn, a hard work ethic, and the attitude to get things right the first time.

Job Type: Full-time

Job Types: Full-time, Contract, Permanent

Salary: £8.72-£11.00 per hour

COVID-19 considerations:

All employees wear masks when moving to and from their workplaces.

Areas are cleaned regularly and recorded.

Hand sanitiser is located all over the factory and offices.

Application deadline: 15/04/2021

Job Types: Full-time, Permanent

Salary: £10.00-£13.00 per hour
